# GERMANS SAY ALLIES HAVE BEEN REPULSED

Kaiser's Aircraft Men Drop Bombs in Paris, Warsaw and Various Places in Belgium-In Some Places the Contending Armies in France are Entrenched Within a Few Hundred Metres of Each Other-Petrograd Reports That Fierce Fighting Still Goes On in Galicia-German Invasion in Russia is Assuming Vast Proportions-An Unconfirmed Report Says an Attack in Antwerp is Impending-Japs Defeat Germans in Stubborn Battle.

thirds of the great battle line across northeastern France, the armies of the allies and Germany fought flercely tostaff last night and was made publi day at some points with the bayonet, and tonight's statements from both sides are worded with the optimism which has characterized all these offi-German army.

"At Bapaume (in Pas-de-Calais, 14 miles southeast of Arras) an advanced French division was repulsed by a smaller German force.

In the center of the battle front we have made alight eains.

The French claimed "marked pro-The French claimed marked progress." The German announcement from Berlin, though insisting that the advance had been repulsed, nevertheless referred to it as an advance.

No Notable Success.

Elsewhere along the battle front, neither side seems to have achieved any notable success.

The continued forward movement of the Russian troops in Galicia: the appearance of German aircraft dropping bombs over various places in Belgium, and again in Paris, and Warsaw the movement of vast bodies of German troops inta Russia by way of Hast Prussia, were chiefly significant in a summary of the events in both theaters of war.

Of the German bombs thrown, none one man is reported to have killed in Belgium and one in .

The explosives in Paris, howfell pear the quarters occupied by many Americans.

There is in trmed report that an attack on Antwerp is impending.

Crack Prussian Guard Repulsed. Neither army has achieved anything notable since the allies have reported progress in one direction. The allies at one point claim to have thrown back a desperate advance by the crack Prussian Guard, and the Germans insist that today, with a weaker force, their right has checked the advance of a mixed French and British force brought up by rall,

Bayonet Charges. Recurring references to bayonet charges seem to prove conclusively that this picturesque and romantic phase of warfare, which it was thought had been killed by the advent of the great guns and other equipment of modern armies, is not all a thing of the past French official communication

shoot prisoners kill wounded and murder women, children and old peo-ple. French prisoners explain articles like that of Pichon because wounded fire at Germans. A letter of a South American miliary attache, who is ac-companying the German army, says that the German warfare is admirable says that at some points the trenches are only a few hundred metres apart; thus a small portion of the millions angaged have known the stimulation and thrill of hand to hand fighting. Fighting Continues in Galicia.

Despatches from Petrograd report that flerce fighting still goes on in Galicia, though Cracow, towards which the Russian hosts have been marching ever since Przemysl was invested and communications cut, has not yet been attacked. To the north, the German invasion

is assuming vaster proportions, not-withstanding the Russian war office insists that the Germans are being repulsed at the frontier. It is esti-mated here that the German front ex-lends from the Baltic coast to the southern boundary of Silesia, a dis-nance of about 400 miles,

Germans Meet Little Opposition. What opposition the Germans have net is believed to have been little nore than a cavalry screen. The fight-ng centered again today along the iver Niemen from Druskeniki in Su-walki, Russian Poland, to Sopotzkin. The ocial giatement issued tonight at Petrograd said that the German artilerround said that the German artil-ery had been unable to assume the offense at Sopotzkin and that their etreat was more or less general. > FOUR BOMBS DROPPED IN PARIS YESTERDAY Girl's Legs Shattered-Created

Panic Among Promenaders. Paris, Sept. 27, 4:10 p. m.—Four bombs were dropped on the city from a German aeroplane today. One missile, exploding in Avenue Du Trocadero at a corner of Rue Freyoinet, blew the head from the shoulders of a man who was standing on the corner with his daughter and crippled the cild. The other bombs did little damage.

Crowds, taking advantage of a beautiful autumn day, were prome-nading on the banks of the Seine when the aerial warrior appeared di-rectly over the Eiffel tower. It is be-lieved that the first bomb was in-Saturday occupied the greater part of the city of Przemsyl (in Galicia), according to a message from Vienna, says the Rome correspondent of the Exchange Telegraph Company. His desmatch continues:

London, Sept. 27.—"The Russians on the discount of the wireless station on the tower or possibly for the nearby buildings containing army stores. It lands army stores in the vieinity were badly the continues: exchange Telegraph configures despatch continues:

"The Russians approached the from the southwest, forcing the Austrians to take shelter in the eastern forts, where the entire garrison is now concentrated and is preparing to a final resistance. The situa-The houses in the vicinity were badly damaged, many of the walls cracking while windows were shattered. The bomb found its mark distant only a block from the American embassy at five Rue Du Chaillot, where Ambassa-dor Myron T. Herrick, who did not

accompany the government to Bordeaux, still makes his home.

In the wake of the bomb fluttered a German flag. At the sound of the explosion the promenaders first rushed for shelter and them as the airship moved on they have in the response. moved on, they hurried to the scene of the havoc. A cordon of police was quickly thrown about the debris and the mangled body of a man killed was found and removed. Nearby the body of the girl was discovered. Her lower limbs had been shattered. Women in the crowd wept audibly as the child was borne to a hospital.

## GERMAN REASON FOR DEMOLISHING CATHEDRA

Declare French Post of Observation Had Been Established There.

Washington, Sept. 27.-The French embassy today made public the fol-lowing communique:

"The French government has been informed that the German government officially alleges that the bombardment officially alleges that the bombardment of the Rheims cathedral (first denied government) acknowledge by its and now openly acknowledge by its authors) had been caused by a French post of observation having been established on the cathedral.

New York, Sept. 27.—Many hundreds of German-Americans attended exercises in Terrace Garden today marking the thirteenth anniversary. been established on the cathedral.

"A telegram of General Joffre to the minister of war shows that the destruction was, as stated before, without the shadow of an excuse, The telegram is as follows:

"The fifth (French) army have occupied Rheims until the 18th of September and then was relieved by the ninth. Both declare that they established no post of observation on the cathedral, the systematic bombard-ment of which began on the 19th at enemals in Terrace Garden today marking the thirteenth anniversary here of German day—a day set apart to bring together the Germans in this country and to revive the sentiment of the Fatherland, Numerous speeches marked the two sessions of the day, the principal one being delivered in the evening by Representative Richard Bartholdt of Missouri.

Malines is Being Bombarded. London, Sept. 27, 6.18 p. m.—A despatch to the Reuter Telegram company from Antwerp says that the Germans today recommenced the bom-bardment of Malines. The people were obliged to quit their reconstructed habitations. Heavy gun firing also was heard in the direction of Hof-stade.

Japs Not Going to Build Railroad. Washington, Sept. 27.—The Japanese embassy tonight issued this state-ment: "The Japanese embassy is au-thorized from Tokio to deny categorically the reports given circulation a few days ago that the Japanese government intends to bulld a narrow gauge railway from the seaport Lung Kow to Kiao-Chow."

#### SEARCHING FOR CREW MEMBERS OF STRANDED REVENUE CUTTER. Four Officers and Fifty-six Men Picked Up-23 to be Accounted For.

Washington, Sept. 27-Four officers and fifty-six men aboard the revenue cutter Tahoma when she went ashore on the western Aleutian Islands last week, have been picked up by the steamr Cordova and survey ship Pat-terson, near Agattau Island. Advices today to revenue cutter headquarters said search now was proceeding for twenty-three others from the Tahoma who landed from boats on islands

The message added that the home's decks were awash, indicating that the ship will be a total loss. No details of the condidtion of the recsued

details of the condidtion of the recsued men weer givn but it was said they probably had not been compelled to face great hardships, inasmuch as plenty of supplies and clothing were available from the cutter.

The sixty refugees left the Tahoma in four boats Whether they were cruisin when they were overtaken by the rescue ships, or had taken refuge on one of the numerous islands, was not indicated in the message which was sent by Captain Reynolds, commanding the Bering Sea fleet.

Commandant Bertholf does not believe the search for the remainder will be prolonged. Boats from the Cordova

be prolonged. Boats from the Cordova and Patterson are searching the inlets and coves of the islands in the vicini-

ty of Agatta.

The Tahoma struck the reef on Setp.
21. She had on board 83 persons, including nine officers, the crew and several members of a revenue cutter shore party. The exact location of the wreek has not been established but wreck has not been established, but she went aground approximately 90 miles west of Kiska Island in the Aleutian chain Revenue cutter service officers to

night were without information as to the cause of the Tahoma's mishap. That she had stumbled onto an un-chartered rock or lost her bearings in a fog were suggested as explanations.

#### MORE JAPANESE TROOPS ARRIVE IN SHAN-TUNG

With Fifteen Cartloads of Ammunition and Supplies.

Pekin, Sept. 28, 1:35 a. m.—It is earned from Wel-Heisen in Shan-rung that a second detachment of lapanese troops arrived there at sundown on Saturday with fifteen cart-loads of ammunition and supplies. Other troops have advanced west along the railway and hold Fangste, where the Germans flooded the coal mines before their departure. All the Chi-

nese miners fied.

The American mission iscrowded with women of all classes from the city and country districts. They are said by the correspondent at Wei-Hsien to fear both the Japanese and the Chinase soldiers.
